# DEDICATIONS

## FOREWORD

No one, no matter what his destiny in life, can look into the future without thinking of persons in his past who helped him find that future.

It is with this thought in mind that, as we too stand at the threshold, we gratefully dedicate our 1954 yearbook, *The Warrior*, to those whom we feel have greatly helped us prepare for our future.

## DEDICATION

To Mrs. Sam Loftin, Jr., who has given us encouragement when our tasks seemed too difficult, sympathy when we were dispondent, and kind patience when we were unthoughtful, we offer this dedication of our 1954 yearbook. For though she has been with us only two of our twelve years together, she has proven herself an able sponsor and best of all a friend.

## DEDICATION

To Mr. C. R. Rials who, as Superintendent, teacher, and companion, has been ever ready to share the responsibilities for our failures, but has remained in the background of our achievements we offer this dedication. He has been an inspiration to us students who have observed and tried to follow the wisdom of his leadership, the strength of his character and the friendliness of his disposition. We gratefully dedicate *The Warrior* 1954 to Mr. C. R. Rials, a leader and friend.

# AGRICOLA HEADLINES

## Miss Martha Ann Bullard Writes Letter Telling Of Trip To Minnesota

Dear George County Friends:

A hearty "hello" from the land of 10,000 lakes! Being selected one of the 27 lucky 4-H Club members to spend a month in Minnesota as an exchange delegate, I certainly feel that it is the greatest honor I ever had.

First, let me tell you a little bit about why we are here. Three years ago, a 4-H exchange program was started between the State of Mississippi and Minnesota. This program was first thought of by our State 4-H Club Leader, Mr. R. O. Monosmith, and the Minnesota State 4-H Club Leader, Mr. H. K. Harkness. They decided that if an exchange program, The IFYE, works so well between different countries, it should work equally as well for promoting greater understanding between States. So, the first plans were adopted and in 1951, Mississippi sent the first 27 delegates to Minnesota. In 1952, 27 Minnesota delegates came to Mississippi and this year Mississippi has sent us.

We left Mississippi on July 6th on a Rebeliner bus with our leaders, Miss Ingrid Tierese and Mr. Charles Estes. (Since then their nicknames have been "Ma" and "Pa"). Our sponsors are the Kraft Foods Co.

On the way to Minnesota, we spent nights in Jonesboro, Ark.; St. Louis, Mo.; Dubuque, Iowa, and on the fourth day we arrived in Winona, Minnesota.

From the start, I have been just won-derful. In fact, they seem to love me a long time. On the first day pictures were made and I was given a royal welcome at Winona.

It was the first time I was there and I was the first to arrive and we were staying in a beautiful home.

I stayed in a beautiful home. I stayed in a beautiful home.

I stayed in a beautiful home. I stayed in a beautiful home.

I stayed in a beautiful home. I stayed in a beautiful home.

## Agricola Boys & Girls Win Invitation Tournament

We really enjoyed our recreation and fun at Lake Shetek. The cabins and building at the lake park were just what we needed. We thought it was a great time in the summer. It feels good and warm, seldom gets below 80 degrees.

We noticed that the Southern partridge and the quail were in the area. They were in the area.

On July 1 through 11, we were in the area where we saw the rock, Minnesota. The things in the area were in the area.

us that the most beautiful thing in the area was the granite. We really enjoyed the granite.

We really enjoyed the granite. We really enjoyed the granite.

which was the granite. The thing that impressed me most was the granite was so hard that it can be sawed.

The Agricola High School boys and girls basketball teams won first place in the Sand Hill Invitational tournament. Both girls and boys drew first-round byes. In the semi-finals, the Agricola boys defeated McLain 54-36 and defeated Sand Hill boys in the finals 63-62.

The Agricola girls defeated Leakesville girls in the semi-finals and Sand Hill girls in the finals 48-40.

The Agricola girls were region 8 champions last year and advanced to the state tournament. All 12 girls are back for this season. Only one senior is on the team this year, so the Agricola girls are looking for another successful season this year.

## WILL AND PROPHECY

We the class of '54 look into the future ten years from now. We see some things we expected, but some surprised us. We are now presenting them to you. Remember them and see if they come true.

Ten years from now we see:

June Persons, Bobbie Jean Tanner and Peggy Gunter the highest paid detectives in the F. B. I., sporting a cadillac car and a beautiful home on the coast.

Juanita Turner with two sweet little "knot heads" and a beautiful ranch-type home.

Alda Faye Hill with a happy home in the big city consisting of four.

Thelma Holland nursing in the Ochsners' clinic in New Orleans.

Peggy Powell as a successful nurse of Laurel hunting a doctor.

Melba Eckhoff nursing for Dr. \_\_\_\_\_, her husband.

Helen Myrick as a successful secretary in a big firm, trying to hook the boss's son.

Sonny Crawley still resting from "overwork" resulting from his school days.

Jimmy Crawley first baseman for the Cleveland Indians, drawing 100,000 dollars a year.

Gerald Blass as an air cadet still making bright remarks.

Amanda Franklin heading for Reno to dispose of her sixth husband.

Martha Bullard nervous over her first date. Also working as a book-keeper at Walker's Shipyard.

Bettye Nell Pardon with her blue-rimmed glasses sitting at the desk overlooking fifty students including one of her six.

Charles Williams as a sergeant in the Marines still unmarried.

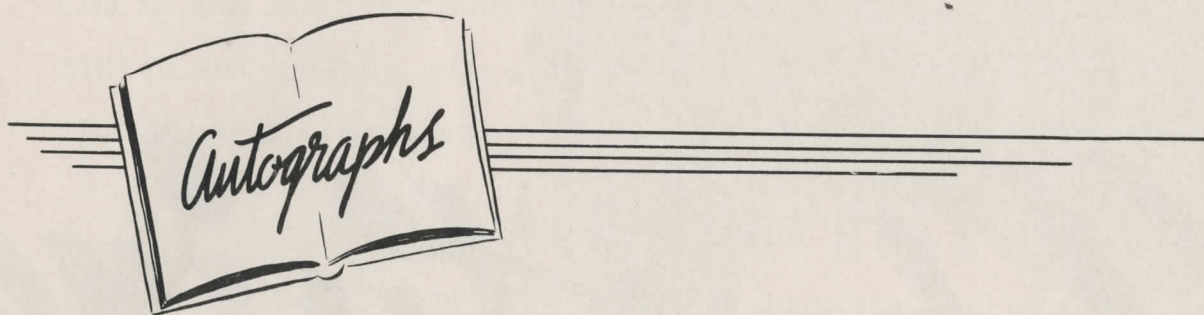

J. W. Huddleston has fulfilled his life's ambition, to get married.

We the class of '54 do bequeath our cheerfulness and tolerance to the faculty so that the students who follow us may survive to become seniors.
